

# Yankee

## Kentucky Bluegrass

*Poa pratensis*

Yankee has proved itself to be a solid overall performer in the Kentucky Bluegrass world. With a 6.0 overall rating in the 2008 NTEP ratings data, it shows you can do well in multiple facets of turfgrass applications. Yankee exhibits positive turf attributes equally at .5 inch mowing heights, as well as, 1 to 2 inch mowing heights. This coupled with a disease performance package provides us with a large amount of confidence in recommending
