

# KENTUCKY BLUEGRASS

*BLUE DEVIL* exhibits similar traits to all of the sub-compact midnight type family of varieties. Current data shows *BLUE DEVIL* excels in this area and produces elite quality turf.

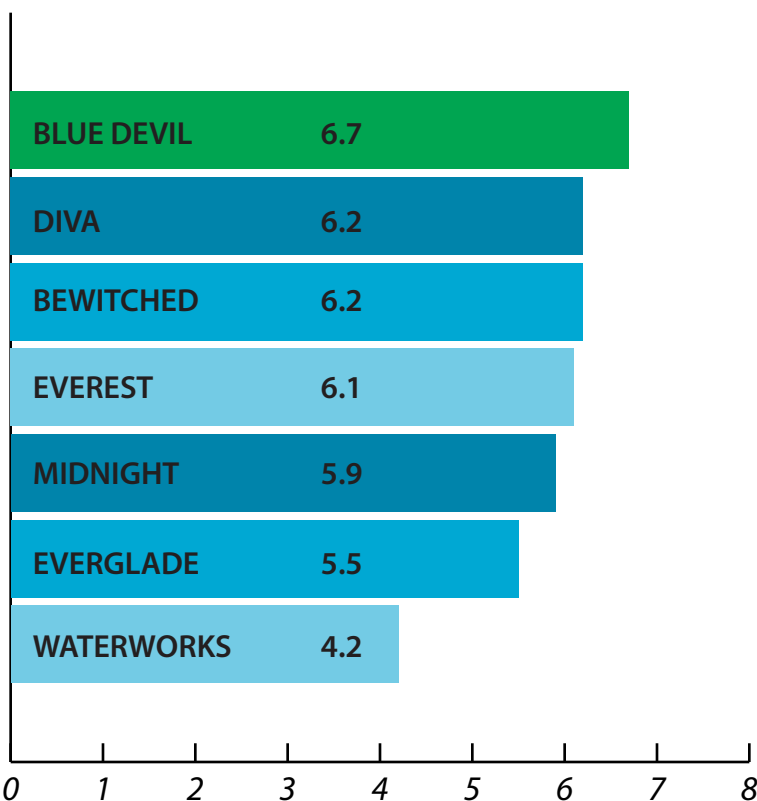

*BLUE DEVIL* has strong overall disease resistance. It's ability to perform well under traffic and accept a ½" cut makes *BLUE DEVIL* a superior product for golf courses, sod production, sports fields, and residential properties.

Currently *BLUE DEVIL* is sold in the United States and China. It is sold as *PRAFIN* in the EU.
