LOCALLY GROWN

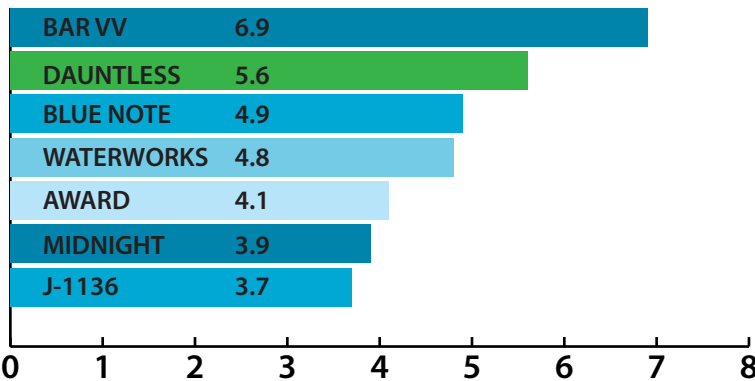

GLOBALLY SOWN

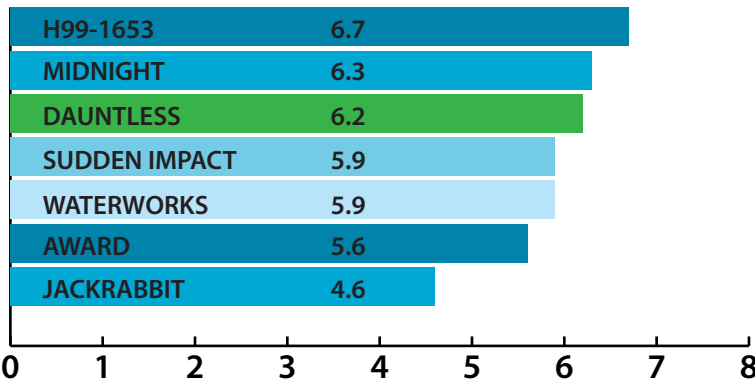

Early spring green up and impressive wear tolerance during the growing season makes **DAUNTLESS** a desirable turf. **DAUNTLESS** also has good spring and summer density rates.

DAUNTLESS has exhibited excellent disease resistance. It was highly rated in the 2012 NTEP data for disease resistance to stem rust, crown rust, rust disease, and summer patch

DAUNTLESS is ideal for home lawns, commercial properties, sports fields, parks, golf course fairways, tees and roughs.
