

## PERENNIAL RYEGRASS

**PROMINENT** is an improved perennial ryegrass variety that is a proven performer. **PROMINENT** is one of the darker varieties of its generation and has shown good wear tolerance, early spring green up, good density during the growing season and quick establishment.

**PROMINENT** has good resistance to red thread and pythium blight. Its fine leaf texture helps provide a dark dense turf during the growing season.

**PROMINENT** blends well with other perennial ryegrass, fine fescue, Kentucky bluegrass and tall fescue. When looking for the latest technology in perennial ryegrass consider **PROMINENT** for your needs.
