

WARRIOR

TURF TYPE TALL FESCUE

Warrior tall fescue is a recent release from Novel Ag. It has been selected for improved drought tolerance in turf applications and increased seed yield for grass seed producers. Other traits of **Warrior** include dark green color, improved performance in shaded areas and quick establishment. **Warrior** has excellent seedling vigor which leads to improved turf density throughout the growing season. **Warrior** has improved disease resistance over older varieties due to added genetics from University of Rutgers.

FACTS:

- Dark Green Color
- Performance in Shade
- Drought Tolerance
- Improved Disease Resistance
- Seedling Vigor

APPLICATIONS:

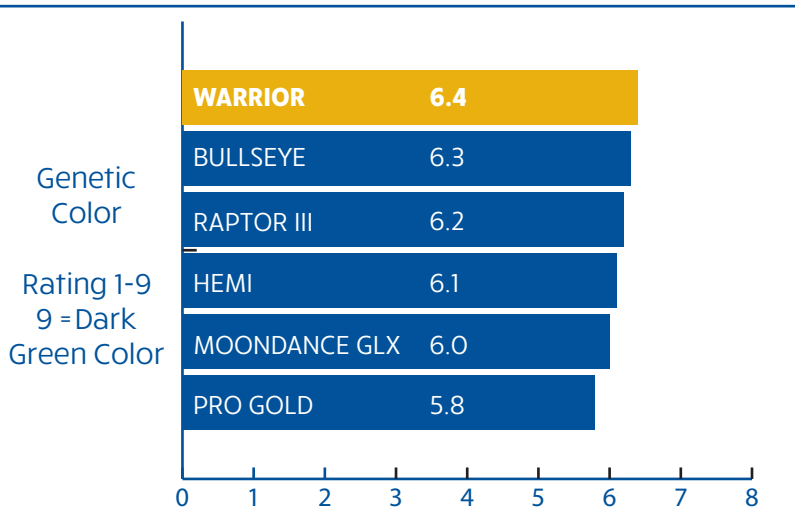

- Residential Lawns
- Commercial Properties
- Parks
- Golf Course Roughs
- Sod Production

SEEDING RATES:

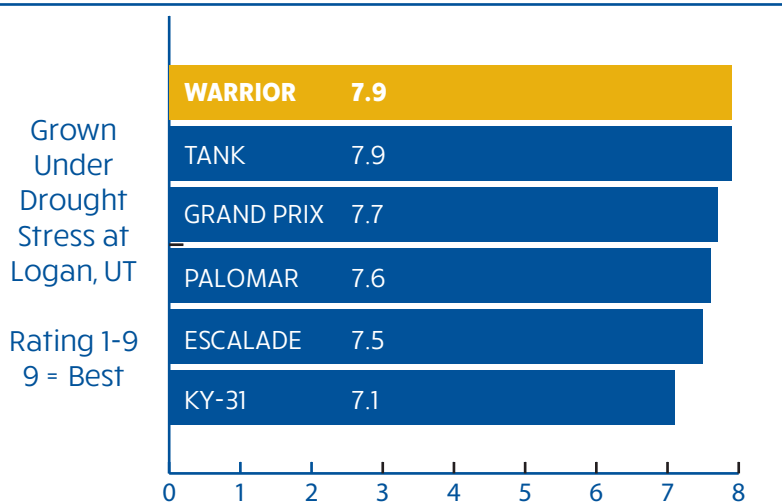

- New Establishment:
8-10 LBS/1000 sq. ft.
- Overseeding:
4-5 LBS/1000 sq. ft.
